## GOOD NEWS FOR GMAIL USERS

For the last several months, Pioneer Country Emmaus has not been able to send emails to anyone with a gmail account. We believe there are several accounts that do not receive our emails and that means they have not been getting the Roostertales newsletter. But that has now changed. We have started using Mail Chimp to send out emails that contain a link to the newsletter. If you know of someone that is still not getting our emails, please ask them to let us know. We may not have their correct email address. If you scroll to the bottom of the email, you will see a link to unsubscribe if you wish.

Newsletters and other information will continue to be posted on the Pioneer Country Emmaus website

[PCE Home Page \(dnnmax.com\)](http://dnnmax.com)

and also on our Facebook Page

It is with mixed feelings that the November Gathering will be my last as a member of the Board of Directors for Pioneer Country Emmaus. It has been my pleasure to serve as your Community Lay Director and Past Community Lay Director. This was my second stint on the board as I previously served three years as the Registrar. I will continue to be a web administrator for the website and as the data administrator for Ministry Manager.

We have seen a lot of changes these last few years. The biggest is the interruption caused by COVID-19. Because of Covid we have had to cancel and postpone Walks. I ask and pray that the community will come together again and make this the strong community it once was. Please consider serving Pioneer Country Emmaus in anyway you can. Come to Gatherings, work behind the scenes at Walks, serve on teams when asked, serve on the board, sponsor a pilgrim on the next Walk. And as always, pray for your community.

Thank you for the opportunity to serve.

DeColores,

Marvin Scheele
