Meet Your Board!

Each month we will have a Board Member highlighted so that you will get a chance to know them better. They are here to serve the Community, so smile when you see them!

Ron Luka—Facilities

Hello, I am Ron Luka, one of the two Facilities persons on the Pioneer Country Board of Directors. Although Facilities persons often seem to only be visible loading and unloading the Emmaus Trailer during walks, part of our job is reviewing and securing churches for future walks. We coordinate with church staffs our needs for each walk, visit that church, and arrange for kitchen, dining room, conference room, showers, and most importantly, sleeping arrangements! This is my second time to serve on the board and my previous positions have been as Gathering and Music. My original walk was at First Church Downtown in February of 2002, Walk #81 table of Matthew. Like many, the Emmaus experience has altered my life in so many ways I have lost count of all the blessings I have received. I know that the time I spent with God on my walk changed me in such a way that the songs “East to West” by Casting Crowns or “Hello My Name Is” by Matthew West, have become my anthems!

One of the things that I have most changed in my life since my original walk is my commitment to Christ and a willingness to give back. I know that we are saved by Grace but I have found it so alluring to return at every opportunity and serve behind the scenes, at gatherings, or in the conference room, that I seldom miss an event. The feeling of being with and sharing with others who have received the blessings of this wonderful weekend experience makes it feel like I am “Coming back home” and I reconnect. I have been fortunate enough to serve on nearly every behind the scene position and recently was blessed with being the Lay Director on walk #137. God continues to give me more than I can ever give back and I am a more than a willing recipient of His Grace and Forgiveness

I retired from Lucent Technologies in 2001 when the plant closed at 7725 West Reno as a product/process engineer. I tried multiple other adventures before currently coming to work for the City of Oklahoma City as a heavy equipment operator. Peety has been my best friend, supporter of my many personality disorders, and most wonderful wife for over 43 years! Together we have been blessed by two children and three grandchildren who we adore spending time with whenever possible. We live in Newalla on 10 acres, giving charity to four horses, a donkey, and four cats.
