There are many events happening behind the scenes during a Chrysalis weekend that will become evident to you during the event. In order to ensure these events are very personal, participants need a sponsor who has attended Emmaus, Cursillo, Chrysalis, or a similar three-day event. If you do not have a sponsor, let us know as soon as possible, and we will find one for you.

Chrysalis participants must be between the second semester of their freshman year in high school up until the second semester of their freshman year in college.

I understand that the Chrysalis three-day experience is founded upon Christian principles. In order to allow all participants to gain the most from the three-day experience and to allow God to work in our lives through the Holy Spirit, all participants are asked to comply with the following:

- Please leave all cell phones, pagers, and other communication devices at home. In an emergency, you will be permitted to use one of the telephones located on the premises.
- Please leave Personal Electronic Devices (PEDs) such as iPods and phones at home. We understand this could be very challenging for some, but we have found that these PEDs can distract from the experience of the weekend. If you feel this may be an issue for you, then please discuss it with your sponsor.
- Please leave all skate boards and other recreational and athletic equipment at home.
- PLEASE COME WITH THE INTENTION OF STAYING THE ENTIRE WEEKEND. If you have a conflict that requires you to leave before 6:00 PM on the final evening, please wait and attend a later flight.

I HAVE READ, UNDERSTAND AND AGREE TO ABIDE BY THE POLICIES LISTED ABOVE.

SOME QUESTIONS FOR PROSPECTIVE SPONSORS

1. Why do you want to be a sponsor? Do you want to build up the body of Christ by inviting young people to participate in the Chrysalis experience? Sponsorship is probably the most important role you will play in the Chrysalis Community. Your invitation to a candidate is the first step on the Chrysalis journey. To the candidate, you as the sponsor are the Emmaus/Chrysalis Community and, as such, should walk with the candidate all the way to Emmaus and back.

2. Whom should you invite to participate in Chrysalis? Chrysalis is for active young Christian's who, through their personal renewal, will bring new energy, commitment, and vision to the church. Potential prospects include:

- a) Church leaders, both clergy and laity
- b) Christians who are the quiet backbone of the church
- c) Christians who need a rekindling of grace and an opportunity to renew their commitment to our Lord, d) Christians who are hungry for something more and who want to grow spiritually

3. Whom should you NOT invite to participate in Chrysalis?

Chrysalis is a wonderful experience for many people, but not for all people. As a sponsor you must be aware of and sensitive to the factors that may have a negative effect on the weekend or be divisive to the church. Examples of questionable sponsorship include:

- a) Non-Christians with no relationship with our Lord
- b) Christians who are not active in a local church
- c) Persons undergoing an emotional crisis
- d) Persons whose theology or practice is notably different or incompatible with the theology or practice represented by Chrysalis
- e) Persons who continually find fault with the church or persons who are continually looking for another spiritual high

4. How do you sponsor a candidate? Day Four: The Pilgrim's Continued Journey, has an excellent chapter on "The Next Generation: Sponsorship" which elaborates on the following ten steps on how to sponsor a candidate. The steps are:

- a) Pray for the person's openness to God's call to discipleship
- b) Make an appointment with the person to discuss their participation in Chrysalis
- c) Invite them to attend for the sake of a more vital relationship with Jesus Christ d) Ask them to make a commitment by filling out the registration form
- e) Continue to pray and request agape letters but not gifts
- f) Support the Flight through your prayer, attendance, and service
- g) Encourage the caterpillar in his or her Next Steps involvement h) Invite and transport to Hoots
- i) Help the caterpillar find ways to use their new commitment and enthusiasm in their home church j) Inform the caterpillar how he or she can serve the Chrysalis Community and future Flights
- k) Help the caterpillar sponsor others

Sponsorship is an act of love for God, for the candidates, for the Emmaus/Chrysalis Community, and for the local church. It is a demonstration of agape love. It is making one's self an instrument of God's prevenient grace.

Sponsors Checklist:
