Ministry Manager

Ministry Manager

What is Ministry Manger? Ministry Manager (MM) is a database/tool that the Upper Room has developed for Emmaus communities around the world to use. It is a database of all our members and has information about each one of them. The biggest use of MM will be team selection. The database contains information about each Walk, who served on each Walk team, who gave which talk, and those who worked behind the scenes. People can be selected for new teams based on their progressive servanthood. This will greatly help the team selection committee.

MM will also be used for Prayer Vigils for each Walk. You will be able to sign up on the Prayer Vigil after you have completed your profile.

The profile for some community members has already been entered in MM. If you have not done so, please sign in to MM and complete your profile. Just go to <https://ministrymanager.upperroom.org/>, enter your email address, chose a password, and complete your profile. You will have access to other information about your “Activities” which will show what Walks you have worked on and in what capacity. It will also list the talks you have given. You can even add your sponsor, those that you have sponsored, and emergency contacts. If you should find any information for yourself or others that is not correct, please contact us and we will get it corrected.

Ministry Manager will be a great tool for Pioneer Country Emmaus to use.

GOOD NEWS FOR GMAIL USERS

For the last several months, Pioneer Country Emmaus has not been able to send emails to anyone with a gmail account. We believe there are several accounts that do not receive our emails and that means they have not been getting the Roostertales newsletter. But that has now changed. We have started using Mail Chimp to send out emails that contain a link to the newsletter. If you know of someone that is still not getting our emails, please ask them to let us know. We may not have their correct email address. If you scroll to the bottom of the email, you will see a link to unsubscribe if you wish.

Newsletters and other information will continue to be posted on the Pioneer Country Emmaus website

[PCE Home Page \(dnnmax.com\)](http://dnnmax.com)

and also on our Facebook Page
