Has your email address changed?

Has your email address changed since you went on your original Emmaus Walk or Chrysalis Flight, or since you changed your home internet service, or changed jobs? The last time that we sent a mass email to the Community, we received 423 undeliverable messages. Email is the primary way that we communicate with the Community. If we don't have your current email address, you are not receiving Community communications, and the only way that we can impart important information to you is if you go to the website and look for the information there.

Please take a minute to log into the website and check to see that your email address is up to date. If you need any assistance, please contact any board member. The contact information is located on the website or on the back of every newsletter. A good indication that your email address is out of date is that you did not receive an email letting you know that this edition of the newsletter was available!
