## Marge Carmichael—Treasurer

I went on the Walk to Emmaus in 2010. I had heard about the Walk to Emmaus for many years and knew people who had gone but no one had ever approached me about going so I wasn't quite sure what it was all about. Dave and I are lay delegates to the UMC Annual Conference and have been for several years. Don and Judie Ellis are also delegates and although we attend the same church, we did not know each other until we all served as delegates. I remember Judie asking us during lunch at annual conference if we had ever been on the Walk to Emmaus, and we responded, No, but we would like to go. That was all it took, and within a few weeks we were signed up and ready to go! Unfortunately, the Men's Walk was postponed so Dave did not get to go until the next set of walks. I share this story because there may be people like us, just waiting for someone to invite them to go on the Walk.

We love being part of the Emmaus Community and have served in many capacities after our Walks, beginning with behind the scenes where we got acquainted with so many members of the community. We found that the agape love we experienced on our walks is not confined to the conference room but continues when you become active in Walks and Gatherings and later as a team member in the conference room.

I ran for the Board in 2013 because I wanted to be more involved in Emmaus. I knew the Agape board position was open so I thought perhaps that might be a good fit since I liked working behind the scenes in Agape. However, I was asked if I would be Treasurer. Since I was Treasurer for two Sunday School classes, that seemed a good fit so I agreed to do this. I just completed my three-year term as Treasurer, a position I have enjoyed, and agreed to an additional year appointment. Prior to my retirement, I spent a 32-year career in the federal government. Among other things, I was an office manager for fifteen years so I was familiar with budgets and expenditures although I did not actually do the duties similar to Treasurer.

I would encourage those of you who want to be more involved to volunteer to serve on the Board. If you have any experience with Quicken, Treasurer would be a good position. It does not require a lot of time except when we have Walks. All Board positions are working positions, and I would not take anything for my experience on the Board. I remember what our pastor said when he asked Dave and me to be Care Chaplains: God does not call the equipped; he equips the called. Stepping out in faith and saying yes opens us to new opportunities for personal and spiritual growth and keeps us on our 4th Day journey.

De Colores!
